Booking Conditions

- Up to the last date for bookings, members may cancel and be fully reimbursed. From this date until 30 days before the first day of the stay, the Club will retain 15% of the cost upon cancellation. After this time, we will retain the full cost.
- Any members who interrupt their stay for personal reasons, without having used the services paid for, either in whole or in part, cannot be reimbursed.
- The 100 Cols Club cannot offer an insurance for late cancellation (see 1. Above), or for an interruption of a participant's stay due to force majeure (family death, illness or accident), as they cannot cover this cost for all members. The return of sums paid for services not used cannot therefore be made except by **subscribing to the optional cancellation insurance covering these risks**.
- Bookings are accepted in order of the sending of payment, defined by postmark or date of bank transfer (even in the case of digital booking) in order not to disadvantage members outside France and members without an internet connection.

I have read and accept the conditions on this booking form.

I confirm the information I have supplied is correct.

At Date **Signature:**

You can obtain a confirmation that your booking has been received by sending an Email to: sejours@centcols.org with the subject « accusé de réception séjour ».

NB : cheques will be cashed on the first day of the month following their receipt.

¹ Associate member : must be subscribed by their DT

² This is important because the Club is obliged to underwrite a complementary insurance for non-FFCT members. If you are an FFCT member, **indicate your FFCT membership number**, don't just write 'Yes'.
