Enter into a world of bell-founders, the forging of molten metal, and the techniques of metalworking from antiquity to the present day. The guided tour of the foundry's workshops, and the viewing of a short film on one of the world records that belong to the family, as well as a demonstration of electronic bell ringing, is planned for Saturday 05 November from 09.00 to 11.00.

A QUESTION OF ORGANISATION

This General Assembly being exceptional, it is difficult for us to estimate the probable number of participants. That is why we ask you to book as soon as possible to allow us to arrange our services and to make the organisation of this event much smoother.

We would also ask those who intend to take part in the GA, without taking any other services, to let us know before the 4 October 2022, so that they can receive the special 50th anniversary gift, and so that we know how many people we will have to provide for at the welcome party.

If this is your case, please fill in the form below and send it the following address :

MATTE JEAN-LUC RUE DES VILLAS 5 B 6111 LANDELIES BELGIUM
